Have you thought about...

Licencing

Thought about licensing?

Choose between an MTR Basic or MTR Pro licence for all essential meeting experiences.

Mounting

Have you included mounting in your solution?

Our portfolio includes all the accessories needed for permanent and flexible installation. From Brackets to mounts, find all you need to complete the quote from the range of our vendors.

Screens

Does your client already have a display solution for their space?

Maverick has a large digital signage portfolio that covers large-format displays, LED displays, Interactive displays, and projection.

Looking to unlock AI-powered meeting productivity?

Microsoft 365 Copilot can work alongside any Microsoft Teams Room to boost productivity and efficiency through meeting summaries, recaps, and insights from meetings.
